SECOND-HAND CNC MACHINE

▲ **12 yrs**

SELF-TAUGHT AT THE MACHINE FIRST

No degree. No order book.

# The hard part was never the machine.

It was a certificate.  
Years of audits, and no  
revenue from those customers.

Then one European order  
changed the conversation.

# How a shed became a listed company.

The moat was not the asset.  
Read how it was built.
