Stanford. Oracle. Then Nashik.

A year of backpacking, then
mangoes, roses and teak
on a 20-acre family plot.

1996.
1999.

Nashik's climate looked like
Napa and Bordeaux. In 1999,
India's first modern wine grapes.

Named after his mother, Sulabha.

THE FULL STORY

~65%

OF INDIA'S WINE MARKET

1999

FIRST GRAPES PLANTED

India had almost no wine culture.
How did he build one?
